

Holding exhibitions in NICCY Request Form

The Northern Ireland Commissioner for Children and Young People (NICCY) wants to encourage the use of its office facilities to exhibit artwork/display art by children and young people. It is our mission to safeguard and promote the best interests of children and young people, and we hope that by facilitating such exhibitions and displays we can work towards that goal.

Please note that artwork will be exhibited for two weeks only at a time, if a longer period is required it will be considered but not guaranteed

We will need 4 weeks notice for your request

From what date would you like to exhibit?
