Religion

Prayer.
Thank you God for making me a person.
Thank you for helping me through the battles.
Thank you for giving me a nice family.
Thank you for making me smart and kind.
Thank you for making me who I am –
determined and for not giving up.
Thank you for my muscles – big healing
surgery at Christmas.
I am sorry for when I get down. I do not
mean any of it.
I know God will come when my legs
and joints get straight.
Thank you for Nancy, my friends, daddy.
Who is very smart and amazing.
Thank you for making my mummy push me
I promise I won’t give up.

Amen
