

SCHOOL TRANSPORT

Look at these pictures in your groups, then talk about them and answer the questions. Make notes about what you talk about on the big pages.

1. Tell each other and make some notes about how you get to and from school.

- Do you use the bus or train?
- Do you go in a taxi?
- Do you walk?
- Do you go by bicycle?
- Do you go by car?
- How long does it take?
- How far is it?

2. If you go by bus or train, tell each other about it and make notes.

- Do you like it?
- If you like it, why?
- If you don't like it, why?
- When do you use it? All the time or just sometimes?
- Why do you use it?

3. If you go by taxi, tell each other about it and make notes.

- Do you like it?
- If you like it, why?
- If you don't like it, why?
- When do you use it? All the time or just sometimes?
- Why do you use it?

4. If you walk, tell each other about it and make notes.

- Do you like it?
- If you like it, why?
- If you don't like it, why?
- When do you use it? All the time or just sometimes?
- Why do you use it?

5. If you go by bike, tell each other about it and make notes.
